

Commercial Warranty

Delamination

Columbus Garage Floor Coatings LLC (CGFC) guarantees Commercial Floor installations for a period of 2 years against surface delamination. Should any delamination occur during this period, CGFC will repair the delaminated area at no charge to the customer.

Please be aware that CGFC cannot guarantee a color match on touch ups/repairs due to factors beyond our control (i.e. dye lot changes, color settling, etc.) but we will make every attempt to match the color.

Columbus Garage Floor Coatings does not warranty coatings against damages caused by customer negligence and/or abuse; however, we will attempt to repair the damage at additional cost.

Staining

Commercial floors not include a stain warranty.

Warranty Exclusions

- Warranty does not apply to any defect caused by alterations or modifications of any kind.
- Warranty excludes abuse, misuse, neglect or accidents such as occur such as scratches, dropped items, lack of cleaning, scrubbing/buffing machines, harsh chemical cleaning (*see Commercial Cleaning Instructions*)
- Warranty excludes harsh chemicals such as battery acid, brake fluid, paint thinner or abrasive detergents.
- Warranty excludes moisture intrusion, hydrostatic pressure or other moisture related issues. If a moisture mitigation layer has been applied prior to the coatings, then CGFC will warranty for this issue.
- Warranty excludes cracking in the underlying concrete as we cannot be held responsible for concrete that cracks due to heaving, shifting, popping, settling or ground movement. We can however fix the cracks at an additional charge, but we cannot guarantee the cracks won't reappear.
